Overview : The group will be divided in smaller group (Maximum 10 pax per group), they will have a map of the city in order to discover the most important place in Byblos and to have a communication with the locals.

Equipment and Layout : Byblos Map

#### **Running the Activity**

1. Once arrived to Byblos city, Discover Byblos Citadel with a local guide (English French or Arabic speaking)
2. Discover the Church + Souk with TLB Representative
3. Divide the group into 3 or 4 smaller groups; distribute the maps and the question
4. Each group will go in a different direction to find the location mentioned in the group map
5. Arrived to the Location, they will find the person responsible in order to reply in all the questions, guiding them to the game solution (The person could be Manager of a restaurant, of Hotel, A Local, fisherman etc)
6. Each group will meet 2 till 4 persons
7. The group will collect the info to find the solution

The 3/4 groups will have different questions and they will meet with different persons but at the end all the group will arrive to the same solution.  
And the group having the solution will be the winner.
